

2022 Volunteer Application

Rockin’ The Fields of Minnedosa organizers have also made the decision that 2022’s event will be a fully vaccinated event and all ticket holders, festival volunteers, vendors, etc. will require proof of vaccination upon entering the site.

As a volunteer with Rockin’ the Fields of Minnedosa, you have a choice of working for 20 hours on site prior to the August long weekend, or for 10 hours during the August long weekend. For your time you will receive a weekend pass that can be exchanged for a wrist band for access, if camping is required it may be purchased as a campsite is not included. Completed applications are to be submitted to our office at the address above.
